

THROWBACK THURSDAY

Rahr Brewery

Rahr Brewery, 1317-1331 Main St., began business in 1866 and became the longest-running brewery in Green Bay. The picture, from Feb. 19, 1967, shows the exterior with “sold” signs in the windows. The brewery was bought and closed by the Oshkosh Brewing Co. in 1966. Little remains on the block from that time, although Dairy Queen on Main Street is visible on the left side of the picture.
